

Exhibition Park

The park has a mix of tree-lined paths, large informal lawned areas, beautiful flowerbeds and a lake that is home to a family of swans and ducks.

Exhibition Park has something for everyone with a popular play area, large open spaces for ball games or a relaxing picnic, a large skatepark and outdoor gym equipment. The network of footpaths and cycle paths makes it a popular with people working or studying in the city centre and is well used for dog walking, running or just chilling out.

There are also two croquet lawns and a pavilion with an active club house and tennis courts that are free to play.

This park is managed by Newcastle City Council Parks and Allotments Service.
